### How It Works

---

1. **Choose your mug model** – Pick the one that suits your style.
2. **Select a verse or quote** – We recommend the public domain KJV Bible, or submit a non-copyrighted quote that speaks to you.
3. **Tell us the name** – We’ll personalize the scripture by inserting your chosen first name inside the mug wall.
4. **Choose a photo or image** – Submit your own, or browse Adobe Stock and send us the Stock #. We’ll license the image on your behalf.
5. **We do the rest!** – Once we have the above, we’ll handle design, print, and delivery.
